## Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments

## Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

*Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study*

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?  2023 – end of Year 6=12%	12%	We are struggling to get pool space due to our local pool providing lessons to all schools in the area and is over-subscribed. This means we have had to travel to a smaller pool via coach. We have had to limit the number of pupils entering the pool at one time means all pupils have shorter swimming lessons than in previous years.
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?  2023 – end of Year 6=12%	12%	Pupils swim each year from Year 4, although the majority of our pupils cannot swim before they start lessons with school and therefore cannot effectively use a range of strokes.

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p> <p>2023 - end of Year 6=%</p>	<p>12%</p>	<p>Pupils swim each year from Year 4, although the majority of our pupils cannot swim before they start lessons with school and therefore struggle to perform safe self-rescue in different water-based situations.</p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>No</p>	<p>Due to limited availability to the swimming pool that we use we have been unable to do this, this year.</p>
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>No</p>	<p>Swimming is taught by qualified swimming teachers at Caldys Swimming Pool</p>
