

As readers we will.....

- Be able to recall all of Set 1 RWI sounds to read CVC and CVCC words
- To begin to use Set 2 sounds to sound out and blend words
- Recognise digraphs within green words
- Learn high frequency 'tricky words'
- Read and listen to a selection of books to build fluency and for enjoyment

F2

Our Passport to Learning Summer Term

As writers we will....

- Write simple sentences
- Write about the life cycle of butterflies
- Begin to understand how to use capital letters
- Start to read back own work to check it makes sense

As geographers we will.....

- Identify similarities and differences between life in Port Sunlight and life in a different climate
- Create a map of the local area and school

As scientists we will.....

- Know the life cycle of a plant and a butterfly
- Understand how to care for a plant
- Explore the 4 seasons

As mathematicians we will.....

- Recognise, represent and manipulate numbers to 20
- Count forwards and backwards
- Explore numerical and shape patterns
- Explore capacity and volume

As athletes we will...

- Explore a range of athletics including throwing, jumping, running
- Practise hand-eye coordination

As artists we will.....

- Be inspired by Georgia O'Keefe
- Create using different mediums, including salt painting

In PSHE we will.....

- Learn about the importance of having an opinion
- Learn about changing emotions and how to manage them
- The importance of sleep
- Sun Safety

In Design and Technology we will.....

- Learn about joining different materials in different ways
- Learning about healthy eating
